Our Story

We are thrilled that you're getting a glimpse into our lives! We have been together since September 2007. Since then we have gotten married, graduated from college with our Master's degrees in education, became teachers, traveled, adopted our beautiful son from birth, and just enjoyed being in each other's company. We have both been teaching since 2012, and have been parents since 2017. Every day we make positive differences in the lives of our school children and our son at home. We can't wait to do that for another little one of our own! We hope that this book gives you a better picture of who we are, and we are so grateful that you're considering us!

Our son, Riley, was born in November 2017. We became a family that very day! He is an outgoing and happy boy that craves the company of others. He is known for his contagious smile and his overabundance of compassion for others. He will be an AMAZING big brother!

Pets

Sophia is our oldest dog and is a Chihuahua/Rat Terrier mix. She loves to relax and stay indoors as much as possible. She has been in our lives since 2009.

Maggie is a Shih Tzu/Yorkie mix and has been with us since 2015. She loves to play outside and loves anyone she meets!

Eliza is the newest addition to our family. We found her in a parking lot as a small kitten and brought her home. She's a very sweet cat!

Home

We are also so grateful for our home. We have lived here since August 2020, building many memories along the way. We look forward to having a second child of our own to make even more memories and to share our many blessings with.

Situated on a private lot at the end of a cul de sac, our home is our getaway. We love the big front yard, the wooded back yard, and the neighborhood lake, swimming pool and playground.
